ZAMAC

EM15

Bain de soleil poétique qui s'amuse à confondre l'intérieur et l'extérieur, le Zamac se joue des codes et offre une vision nouvelle et futuriste de la chaise longue.

Highly-poetic sun lounger which likes to mingle indoor and outdoor, the Zamac plays with styles and offers an incomparably futuristic vision of the lounger.

Die poetische Sonnenliege Zamac verwischt gekonnt die Grenzen zwischen Innen- und Außenbereich. Sie wirft althergebrachte Codes über Bord, um eine neue und futuristische Vision des Liegestuhls anzubieten.

Una tumbona poética a la que le divierte confundir el interior y el exterior, el modelo Zamac se ríe de las normas y ofrece una visión nueva y futurista de la chaise longue.

Poetico lettino prendisole che si diverte a confondere interno ed esterno, Zamac si prende gioco delle regole offrendo una visione nuova e futurista della sedia a sdraio.

Suggérer l'élegance, susciter l'envie par des formes pures et des matières nobles, pour qu'émotion et séduction soient durables.

La difficulté, et parfois la satisfaction, d'approcher cet objectif donnent toute son intensité à notre métier de créateur.

To suggest elegance and generate desire with pure shapes and noble materials, so that the emotion and beauty are long-lasting. It is the challenge, and sometimes the satisfaction, of reaching this objective that make my profession as a creator so exciting.

Durch reine Formen und edle Materialien Eleganz suggerieren und Lust erwecken, damit Emotion und Verführungskraft langfristig von Bestand sind. Die Schwierigkeit, und bisweilen die Befriedigung, sich diesem Ziel anzunähern, machen meinen Beruf als Designer so spannend.

Sugerir la elegancia y suscitar el deseo a través de formas puras y materiales nobles para que la emoción y la seducción sean duraderas.

La dificultad y también la satisfacción de alcanzar estos objetivos dan toda la intensidad a mi oficio de creador.

CABINES GIGOGNES

EM16

Vision contemporaine d'une figure emblématique du bord de mer, les cabines gigognes revisitent le design traditionnel des cabanes en bois en un mobilier d'extérieur ludique et convivial.

Like a contemporary vision of an emblematic waterfront figure, the Beach Nested Cabins revisit the traditional concept of beach houses and become an outdoor furniture, playful and friendly.

Als zeitgenössische Vision der typischen Strandkabinen interpretieren die Satzkabinen das traditionelle Design der Holzhütten neu und verwandeln sie in ein verspieltes und einladendes Außenmöbel.

Visiones contemporáneas de una figura emblemática de la orilla del mar, las cabinas nido adaptan el diseño tradicional de las cabañas de madera a un mobiliario de exterior lúdico y familiar.

Visione contemporanea di una figura emblematica del lungomare, le cabine ad incastro interpretano il design tradizionale della cabina in legno in un arredo da esterno gioioso e conviviale.
